*"Accelerating the development and business of NanoBio"*

The NanoBio 2009 Conference offers unique opportunities to showcase your products and services and gain access to a rapidly growing membership of business and technology leaders - executives, CEO, CTO, corporate managers, scientists and engineers, entrepreneurs and VC's - who are building the technologies of today and tomorrow. The NanoBio Business Forum creates the right setting for you to present your ideas to large pharmaceutical companies, biotechnology companies, venture capitalists, intellectual property attorneys, and other potential business partners.

### Top 5 Reasons to Exhibit at NanoBio 2009

1. Showcase your products and services to top decision-makers
2. Network with world-class scientists, engineers and business executives from 30 countries
3. NanoBio 2009 features more than 50 speakers from a wide spectrum of Nano, Bio and Clean Tech industries worldwide
4. The program is enriched with practical workshops and technical seminars designed to draw prospective customers to the event
5. Each sponsorship or exhibition package comes with at least one full conference access (\$795 value), enabling you to continue to network, learn and enjoy the entire three-day conference.
